To: Mother Advisors, Board Chairmen, and Grand Deputies

Youth Protection is important for all of us to practice. It is a requirement from Supreme Assembly that each Assembly has two (2) programs each calendar year.

The first program is for the new Advisory Board, as soon as possible after they are installed. At this time the Board Chairman must review the Grand Assembly of Texas Youth Protection Program and the Grand Assembly of Texas Travel Policy for all members of the Advisory Board. You will report to me by **31 March** of each year, on the Attestation Form, that this has been completed and how many attended.

The second program is to be held for your girls and adults. You may have someone come in and present a program on any subject relating to the protection of our youth (perhaps a local police officer, a person from CPS, and check the internet for related organizations that offer subject matter appropriate and necessary for our girls). This program must be reported to Grand Assembly by sending the Reporting form to me, with the number of adults and the number of youth in attendance, as well as the subject matter of your program, no later than **10 December** of each year.

Please pay attention to these dates, as Mrs. Weaver is required to submit her report with these numbers, the subjects covered, and the qualifications of the presenter to Supreme Assembly. All Assemblies are required to complete both of these two (2) Youth Protection Programs and to report both of them to me each year.

The Texas Grand Assembly Youth Protection Program, the Texas Travel Policy, the required Attestation Form, and the Assembly Reporting Form are available on our web site: [www.txior.org](http://www.txior.org) under "Forms."

Thank you for your assistance in this Supreme Assembly requirement.

In Rainbow service,
