

Cell Phone Etiquette

- Turn off your cell phone the minute you get to an event
- Tell your parents what kind of event it is
 - Whether it's an initiation, regular meeting, or fun event (know how long it will take)
 - Inform your parents what adults will be there (and make sure they have their contact information)
- Why?
 - Courtesy -To the WA, MA, or whomever is speaking or leading the meeting
 - Rainbow time
 - Rainbow is a great opportunity to meet new people in your city, state, nation, and world
 - Don't prevent yourself from having life time friendships or memories by replacing them with texting
 - Not something you'll only do in Rainbow but in life. You won't be able to use your cell phone on your job or at school
- Adults set the example
 - If you're not obeying these rules neither will your girls
