

## Cell Phone Etiquette:

- Turn off your cell phone the minute you get to the event
- Tell your parents what kind of event it is
  - Whether it's an initiation, regular meeting, or fun event (know how long it will take)
  - Inform parent what adults will be there (and make sure they have their contact information)
- Why?
  - Courtesy
    - To the WA, MA, or whoever is speaking or leading the meeting
  - Rainbow Time
    - Rainbow is a great opportunity to meet new people in your city, state, nation, and world
    - Don't prevent yourself from having life time friendships or memories by replacing them with texting
  - Not something you'll only do in Rainbow but in life
    - Won't be able to use a phone on your job or school
- Adults set the example
  - If you're not obeying these rules neither will your girls
